

PROGRAM OF EVENTS

14, 15, 16 MARCH 2014

SERENITY! NO WAY!

WWW.BONNIEDOONMUSICFESTIVAL.COM

Welcome...

to the inaugural Bonnie Doon Music and Busker Festival. The Festival is being run by the community for the community and we hope that all age groups will enjoy the range of music genre presented. There are many people, organisations and businesses to thank but none more so than the Mansfield Shire who have been very supportive with financial and inkind support. Special mention to the local Bonnie Doon and Mansfield youth groups who have done a fantastic job of creating some artwork to provide some colour to the reserve. Billie Pridham and Josette Bradley came up with some great ideas for the kids to work on. We couldn't put this together without the support of a large number of local businesses and people. It's not just the financial support it's the inkind support like hay bales, stages, marquees, generators and other materials that community minded supporters have provided. I would like to single out one special lady who has put in an enormous amount of work putting the artist lineup together. The paperwork associated with promoting, scheduling and managing artist applications is enormous and the festival just would not have happened without her enthusiasm and support. Lydia Bowen Clare is her name and she and Darryl will also be performing. Thanks Lydia.

Radio Mansfield and Mansfield Courier have also been great with helping to promote the event. I could go on forever thanking people but in order to keep printing costs to a minimum I have been told to keep it short and sweet. Please leave the serenity at the gate and enjoy.
